CASA-RITA

OUR HOUSE IS YOUR HOUSE

House Wine was inspired by Europe's easy-to-enjoy, unfussy everyday table wines that bring people together. We wanted to offer delicious, quality wines, with an iconic and bold label, that offer that same easygoing sensibility - a House pour for all! We live life in full color and thrive on adventure. We aren't afraid to color outside the lines, or stand up for what we believe in, because everyone's welcome in our house!

TASTING NOTE

CRISP, CITRUSY & REFRESHING - Aromas of sun-kissed citrus with sweet, tart and tangy flavors of agave, orange and lime. Our House margarita pairs best with spicy flavored dishes, summer sunshine and surfing on a with a warm day.

9% ABV | Wine-Based | All-Natural Flavors
No Artificial Sweeteners | 100% Recyclable
