CALIFORNIA

Butterkissed Chardonnay

Our Butterkissed Chardonnay is a rich, decadent take on a timeless varietal. We grow our grapes in the sun-drenched vineyards of California, where the long, warm growing season helps us coax rich, indulgent flavors into the bottle.

Butterkissed Chardonnay has a smooth, creamy mouthfeel, with luscious buttery notes and hints of vanilla, white peach and citrus zest. Serve chilled with wood-fired pizza, parmesan crusted chicken breast or at impromptu get-togethers with friends.
