

Lagunitas Hoppy Refresher

FLAVOR NOTES

Crisp, zingy, and hoppily refreshing. This sparkling beverage is made using everything Lagunitas knows about hops. Chock-full of Citra, Equinox, and Centennial hops, for a big splash of flavor that's surprisingly fruity.

Style: Sparkling water? NA seltzer? IPA-inspired Refresher? However, you see this clear beverage, we view it as a fresh take on an old tradition ... A variation on a theme of 25+ years of edgy brewing at the edge of brewing. Massively dry-hopped like other Lagunitas brews, but without the alcohol, carbs, cals, or gluten. Whoa.
