

2020 OLD VINE ZINFANDEL

CALIFORNIA

WINEMAKING NOTES

Just like the Bogle family, Old Vine Zinfandel vines have endured for generations. These head-trained and dry farmed vines, some as old as 60-80 years, produce small clusters of incredibly concentrated grapes, perfect for crafting our Old Vine Zin.

TASTING NOTES

Deeply colored, this intense red wine intrigues with aromas of sweet juniper, fresh herbs, and a touch of bay leaf. Spicy with black pepper and nutmeg, the wine opens to bright berry and plum flavors, combined with jammy raspberry and a hint of tart cranberry. Refined, yet bold, this elegant Zinfandel leans into its finish of clove and coconut, with a final dash of white pepper.

FOOD PAIRINGS

This versatile wine pairs well with a variety of foods like grilled sausages with caramelized onions and peppers or gorgonzola cheese.
