

# 2021 PINOT GRIGIO

## CALIFORNIA

### WINEMAKER NOTES

With grapes picked early in the harvesting season of 2021, our winemakers cold-fermented this wine in stainless steel tanks to yield this bright and refreshing Pinot Grigio. We are proud to share our first nationwide release of this varietal!

### TASTING NOTES

Lively aromatics of Asian pear, honeydew melon and quince burst from the glass, while the crisp entry has a zing of freshly zested lemon, followed by notes of clover honey and orange blossom. Delicate minerality defines the finish: lean, fresh and inspiring.

### FOOD PAIRINGS

The crisp, refreshing nature of this wine makes it perfect for sipping on the porch or patio, as well as a great option to pair with charcuterie, grilled shrimp, fried calamari or bruschetta.
