New for 2023, we're adding a Hazy IPA to our everyday lineup. WayBird is big sensory IPA. We started with a light malt bill for a crisp finish. Then, hit it with an exotic lineup of El Dorado, and HBC 586 that pops with papaya and mango. Naranjilla and tangelo citrus add that joosey mouthfeel as you easily work your way to the bottom of WayBird.

HOPS: El Dorado, HBC 586

MALT: 2-row, Pilsner, Red Wheat, C-10, Carapils

APPEARANCE: Burnt orange with a thick haze
