

# 2XTangier

Double India Pale Ale Brewed with Tangerine Peels  
8.1% ABV • CITRUS & STONE FRUIT

#2XTangier

Tangier has inspired thousands of legendary stories. It is a land that has fallen under Roman, Arab and Portuguese rule, and it's home to legends tall and small. It is written that before his battle with the giant Antaeus, Hercules rested in a nearby cave. It is said that the city is a haven of spying and espionage. The city is an enigma with a history unlike any other and it's a worthy namesake of our 2XTangier.

A **Double India Pale Ale** with **spicy citrus aromas and stone fruit flavors**. These flavors, with the addition of **lightly roasted malts and brilliant hop bitterness**, make 2XTangier a beverage as **refreshing** as it is exotic. 2XTangier is brewed as a **stronger, bolder ale than its older brother, Tangier**. It shares the same synergy between *tangerine peel and spicy, citrusy, Mosaic hops*. Enjoy 2XTangier in celebration of your epic adventure.
