**Vineyards & Winemaking:** The vines are located more than 800 meters above sea level and are irrigated from the mineral rich water from the Andes mountains. The wine is fermented in stainless steel and then aged for 6 months in a blend of new and recently used French oak.

**Taste:** A melody of black currants and red cherries rise above a backdrop of leather and toast. On the palate, you’ll taste juicy, dark berry fruit along with a trickle of sweet spice and savory plums.

**Notes:** While Argentina may be best known for its Malbecs, the country produces a diversity of wines. And Lot 53 is the perfect introduction to the elegant and crowd-pleasing nature of Argentine Cabernet Sauvignon.

**RICH FRUIT | DARK BERRIES | SWEET SPICE**
