

Green Apple

YEAR ROUND

OVERVIEW

Angry Orchard Green Apple has a bright, fresh apple flavor, with slight notes of sweet honeydew melon and kiwi that balance the lively apple tartness.

5% ABV, Gluten Free

CIDER-MAKING NOTES

- The sweet, juicy profile of apples from Washington State lend to the balanced fresh green apple taste, which is boosted by adding apple juice to the cider after fermentation.

TASTING NOTES

- Appearance:* Light golden brown and slightly sparkling
- Aroma:* Bright, fresh apple aroma, with a touch of honeydew melon and kiwi
- Flavor:* Tart blend of a lively apple flavor and a balance of sweetness
- Mouthfeel:* Medium
- Finish:* Drying with tart finish

FOOD PAIRINGS

Green Apple's fresh apple aroma and flavor make it easy to pair— try it with roasted pork or smoked meats, or a sharp blue or cheddar cheese. Slightly sweeter desserts complement this cider well.

Examples

- Small Plates: Sharp cheeses, celery root soup
- Entrees: Bratwurst, roasted pork, barbeque
- Desserts: Sweeter desserts, whoopie pies
