

DON Q PASIÓN

**BRIGHT
TROPICAL
PASSION FRUIT**

Passion fruit is every bit as sexy as its moniker; slightly sweet, citrusy, and with a golden yellow juice. Fortunately, nature decided to grow these delicious things on our island, and we were smart enough to use them in Don Q Pasión. We infuse our premium rum aged 1 to 1½ years with the natural essential flavor and extraction of real passion fruit, making a flavored rum that stands alone as well as it mixes with pineapple, guava, or peach nectar. Mix. Taste. Repeat
