California

BLEND

89% Barbera, 6% Muscat, 5% Syrah

WINEMAKING

This wine was fermented cold to ensure maximum retention of bright fresh fruit aromas and to create a crisp, elegant rosé.

SOURCING

Our unique rosé blend is sourced across diverse Northern interior and Central interior California sites — sourcing that creates great complexity, balance, and a classic Mediterranean rosé profile.

TASTING NOTES

The nose is bright with aromas of fresh strawberries, white flowers and stone fruits. On the palate, the wine is light-bodied, dry, and bursts with citrus, white peach and strawberries, finishing with a crisp, mouthwatering citrus flavor.
