LOVE NOIR®

2015
PINOT NOIR

WINEMAKER COMMENTS:

Love Noir is a luxurious, fruit-forward take on Pinot Noir. We've sourced California's ripe, dark Pinot Noir grapes to deliver a wine with rich, deep flavors and a velvety texture. Cooler climate grapes preserve the dark fruit aromas and concentrate the bold flavor. Fall in love with the darker side of wine.

FOOD PAIRING:

Love Noir pairs well with double cream brie on a baguette or sesame ginger glazed salmon.
