

# ROSATELLO

## MOSCATO

Rosatello wines are light, fruity, and perfectly sweet with just the right amount of bubbles. Rosatello wines make any moment colorful.

### OUR WINEMAKING TECHNIQUES

We make Rosatello wines from grapes that grow in the sun-drenched vineyards of Italy. To make sure our wines have a perfect balance of sweetness and bright acidity, we cold ferment the grapes *charmat* style in pressurized stainless steel tanks to preserve the fresh-from-the-vineyard fruit flavors. This also maintains the wine's natural effervescence. The result is a vibrant, refreshing glass of wine that is lusciously sweet and easy to drink.

### TASTING NOTES

This perfectly sweet white wine romances you with irresistible aromas of citrus and a touch of mint. With each taste, you'll revel in flavors of juicy peaches and candied orange. Gentle bubbles add a refreshing liveliness. We recommend chilling this refreshing semi-sparkling wine before enjoying.
