# Jameson Black Barrel

## Triple distilled, flame charred, for a rich smooth taste.

Charring is an age-old method for invigorating barrels to intensify the taste. Jameson Black Barrel is our tribute to our coopers, who painstakingly give their bourbon barrels an additional charring to reveal their untold richness and complexity. The select double charred barrels produce a whiskey with even richer flavor and intense smoothness.

Nutty notes are in abundance alongside the smooth sweetness of spice and vanilla.
